Another year has come and gone. Time flies by so fast, it seems just like yesterday we were starting a new year. The past year has been a difficult and tough one. Last year at this time we were moving out of our office in Hagerstown to cut cost and meet our financial obligations. In 2007 and 2008 CEF of Northwest Maryland finished in the red, all of those shortages were salary to be paid to the local director. However, it looks like at this time with budget cuts we have made we have ended the year with everything being paid. That was made possible because of our financial donors still giving in one of our worst years financially.

During the month of December we had a **Matching Gift Offer of \$ 3,700** and the report I was given as of December 30 was over \$ 5,000. Next month I will report on the exact amount given. Thank you again for your generous giving to meet the needs of this ministry. Your giving makes it possible for this ministry to move forward in reaching the boys and girls with the gospel of the Lord Jesus Christ. In Allegany County we now have two After School Good News Club®; Cresaptown, and Northeast, which started in December. In January we have one starting at Kemptown in Frederick County. In Washington County we have 19 as of January 7 when Williamsport starts. That brings our total to 22 After School Good News Clubs® in the Northwest Maryland Chapter area.

Please continue to pray for more teachers to get in the 7 remaining schools in Washington County before the school year ends. We are planning to be in every one. Some of these schools may be a six week club in March/April. Please pray for teachers for the boys and girls. May be God would have you volunteer, please call Larry at 240-217-1163.

God is faithful !
