Keep Praying!

Friday, October 14 started as an exciting weekend get away for Lisa, Brittany, and myself to Liberty University 40th Homecoming Weekend. Friday was a rainy trip to Lynchburg, but the weekend turned out great. The weekend included Volleyball, Soccer, Football, and Hockey games. Saturday was my 50th birthday and we were looking forward to returning home on Sunday afternoon.

We don't get a chance to get away much due to the ministry responsibilities and finances don't allow us to, but most of our trips are to Liberty University. We had a great time there, but our thoughts were still at home with our daughter and her husband, Blake and Stephanie Nalley. Stephanie was getting very close to the delivery our first grandson.

When we returned on Sunday afternoon our daughter called and said she felt she could go anytime. She was looking forward to Monday afternoon's doctor's appointment. Before going to her appointment she had a conversation with her son, Bentley, about who he was going to meet soon, and those he would not meet until he got to heaven. Just before her appointment she posted on facebook how excited she was, and was looking forward to good news. However, just one hour latter she received news she never imagined for any one to hear, her baby Bentley had no heartbeat.

Stephanie and Blake went to the hospital for Stephanie to deliver a stillborn baby the following day. October 18, 2011 is a day our family will never forget, but God was still there during those most difficult days and is still there. On Monday, October 24, one day before my mother's birthday we held a burial service for Bentley Charles Nalley.

Please pray for our family especially Blake and Stephanie. They have a loving and caring church, Faith Christian Fellowship, that they attend. For more information you can go to www.rsthvn.com, or go to facebook at Bentley Charles Nalley.
