

Summary of Prayer Coordinator Responsibilities

Before Club Day

- Pray for the children's hearts to be receptive and for discernment to see the children's true needs.
- Get names of prayer partners for your club as well as phone numbers / email addresses.
- Get needed contact information for your church's prayer letter or prayer meeting, so they can be praying, too.
- Prepare a "Jesus Can" for each Grade Box. (Get label from GNC Coordinator.)
- Copy request forms for workers and place in grade containers (see attached page) along with five pencils (golf pencils fit well in can).

Day of Club

- Arrive by 2:00 and sign in at the office.
- Be available to talk with kids during the refreshment time.
- List specific prayer requests from your club observations and interactions with the kids.
- At the end of club, collect prayer requests from fellow workers from each "Jesus Can."

Before Next Club

- Pass out specific prayer requests from the kids, workers, and your observations to your prayer partners and your church.
- Give each prayer partner a copy of "Praying for Good News Clubs" (see attached copy).
- Copy more prayer request forms if needed.

NOTE

- When listing prayer requests, do not use full names of children. Use either first name only or give only a grade.
- Add any specifics that you feel are pertinent so your prayer partners know how to pray.
- E-mail any serious prayer requests from your club workers to the CEF Office so we can pray and share with our prayer partners.
- James 5:16, Colossians 4:2-4, Psalm 81:10b.
- Set a time each week for the club prayer partners to pray together. Pray for each child by name as well as any club needs.

- **IMPORTANT: Provide the name of every child in the GNC with a person in your church who will pray for that child specifically during the whole school year.**
